**I**n the end of year 2017, we had organised a Philatelic Seminar on 2<sup>nd</sup> December during INPEX 2017 covering the basic and general philatelic subjects for benefit and betterment of philately in India. The event was open for all and any serious philatelist can participate. We had prepared a promotional video for the event and broadcasted on various social media platforms. We were very much successful to reach our goal of 100 participants just within 10 days after the announcement, Philatelists from all over India had expressed their great interest in the event and appreciated.
